Item 4(e)

A branch of the Department of Education and Culture of the registrant has recently been established and is located at 590 North Vermont Ave. Los Angeles, California 90004.

Item 4(f)

By inadvertance, the number of members was not given in the Registration Statement. The number of members is 21. The qualification for membership is set forth in Section 1 and 2 of Article I of the By-Laws, a copy of which was filed with the Department on September 23, 1971.

The directors of the Corporation, as of the date of filing, were:

Dr. Emanuel Neumann (1)
Mrs. Charlotte Jacobson (1)

Mr. Samuel Rothberg

The officers of the Corporation and their positions are correctly stated in the Registration Statement.

Item 4(h)

All of the directors and officers render some service to the principal through their activities as directors or officers of the registrant.

Item 4(j)

The response to Item 4(j) in the Registration

(1) Filed Short Forms

Statement is correct and so, in fact, is also the information given in Item 3 of Exhibit B to the Registration Statement. The American Section of the World Zionist Organization Executive is part of the whole Executive referred to in Item 4(j) and on all questions involving policy, budget and other important issues, the Executive as a whole, including the members thereof, resident in the United States, makes the decisions.

The American Section of the Executive is charged with the responsibility of implementing in the United States, the decisions of the Executive as a whole, to the extent that the same involve any activity in the United States and are in charge of administrative details.

As of the date of the Registration Statement there were 8 members of the Executive of the World Zionist Organization resident in the United States out of a total of 21.

Item 5

In connection with Paragraph 7 of your letter dealing with Item 5 of the Registration Statement, we refer to the letter dated March 3, 1958 addressed to the Jewish Agency for Palestine by the late Mr. Nathan Lenvin, former Chief of the Registration Section, copy of which is enclosed. We enclose also a copy of the letter dated November 22, 1957 to which reference is made in the above-mentioned letter of the late Mr. Lenvin.

Item 9(a)

We regret the error in our supplemental statement. The answer to this item should have been "no", in as much as no expenditures were made by this organization during the 60 day period prior to July 1, 1971.

Item 3 of Exhibit B

The response given to Item 3 of Exhibit B is correct but may require some elaboration. Reference is made to the amended reply to Item 4(j) of the Registration Statement, which spells out in detail the relationship between the Executive as a whole, with its headquarters in Jerusalem, and the American members of the Executive, insofar as concerns the work of the registrant in the United States.

The budget for the activities of the registrant is determined and provided by the Executive as a whole from Jerusalem.

The mebers of the Executive including those resident in the United States, are elected by the Zionist Congress, to serve until the next Zionist Congress - ordinarily every four years.

Item 4 of Exhibit B

Please see the responses to Item 4(j) to the Registration Statement, which is responsive to Item 4 of Exhibit B.
