Dear Dato' Murad Hashim:

This letter, when signed by you, will constitute our agreement to serve as public relations counsel for the Malaysian Palm Oil Promotion Council from January 1, 1990 through December 31, 1991. Recommendations for activities during 1992 are to be presented to the Council in the fall of 1991.

This agreement shall be effective for twelve months, subject to termination as follows: either party may terminate this agreement, effective on or after April 1, 1991, by giving not less than sixty (60) days prior written notice of termination.

As public relations counsel, we will develop and implement activities designed to achieve the Malaysian Palm Oil Promotion Council's public relations objectives and counsel the organization on public relations questions, opportunities and problems, and will use our best efforts to further its reputation and interests. A detailed calendar of planned activities including "milestones" of the program is attached to this letter at Appendix A.

We confirm that Edelman Worldwide currently handles no other vegetable oil accounts which constitute a conflict of interest to Palm Oil, and we undertake not to represent other vegetable oils in any market worldwide without your prior agreement.

You agree to pay our firm, as compensation for our professional services, a personnel fee of US $29,166.67 per month, billed monthly at the beginning of each month of service. This fee will cover services provided by our Kuala Lumpur and Washington offices.

You will also reimburse us for expenses directly incurred and paid by us in the performance of public relations services, at actual cost plus 17.65% service charge on those expenses which have been prepaid by our firm in your behalf. Our estimate of expenses for the twelve-month period is US $400,300 as detailed in Appendix B. Any additional expenditures will require written advance approval by you as the MPOPC chief executive.

The service charge covers such production expenses as press kits, releases and mailings, clipping services, photos and prints, art work, printing, visuals, etc. It does not cover (a) expenses such as telephone, delivery, postage, staff expenses for transportation, hotels, meals, media entertainment etc., of (b) expenses billed directly to you by the supplier and paid to you.

We will endeavor to undertake as much print and design work as possible in Malaysia and in such cases will submit these invoices from Edelman's Kuala Lumpur office to MPOPC for direct settlement in Malaysian Ringgit.

You agree that all our invoices for fees and disbursements will be settled by bank telex transfer within (21) days after the date of the invoice and you agree that any differences arising from current exchange rate fluctuations will by invoiced on our next account. MPOPC and not Edelman will be responsible for the payment of any value-added, sales, withholding or other local taxes that might be applied to our invoices.

You agree to indemnify and save us harmless from and against all liability, including all actions, claims, damages, costs and attorneys' fees which we may incur (or to which we may be a party). arising out of actions taken or statements made by us at your direction or based upon information provided by you.

You agree that you will not employ, hire or retain, as an employee, agent, independent contractor or otherwise, any person employed by us for a period of one year after termination of this agreement.

Please sign both copies of this letter, retaining the original for your files and returning the copy to us.

Sincerely,
for Daniel J. Edelman
