Dear Clint:

Thank you for the proposal for Verner, Liipfert, Bernhard, McPherson and Hand (VLBMH) to represent AECL Technologies Inc. (AECLT) in the pursuit of available plutonium disposal options in the USA. The following are the conditions that you suggested and are acceptable to me:

Fees for services will be billed at your normal hourly rates, with cost-effective service for AECLT kept in mind at all times. As an example, Lloyd Hand's rate is $360 and Clint Vince's hourly rate is $325. Your associates' hourly rates currently range from $85 to $240 and your non-lawyer professionals rates range from $75 to $350 per hour. Paralegals are to be used for some functions that otherwise would have to be performed by lawyers at higher rates. Fees for paralegals range between $50 and $95 per hour depending on the seniority and experience of the paralegal. Hourly rates may be adjusted annually by the law firm. It is our understanding that you will bill for expenses incurred during the course of the representation, and itemize these expenses at regular intervals. When applicable, our billing statement will include costs incurred in the course of your representation, such as long distance telephone, telex, messenger, courier and other communications costs, travel expenses, including the cost of transportation, meals and lodging; document reproduction and retrieval costs; staff overtime; computer research facilities; court reporters; and transcripts. Large disbursement billing may be forwarded to AECLT for direct payment, or you may ask for AECLT to advance sufficient funds to cover the expense of extraordinarily large disbursements. No extraordinary charges will be incurred without AECLT's prior approval.

Each month, a member of your staff and I will plan the activities for the month so that we can ensure proper focus and that I can meet my budget. Your statements are due and payable upon receipt, and will be paid in full within 30 days of the statement date. We understand that late charges of 1% per month will be imposed on the outstanding accounts receivable over 30 days. If your bills remain unpaid for 90 days, we will execute a note, at 12% annual interest, for the outstanding indebtedness. In addition, VLBMH reserves the right to withdraw from the representation if our monthly invoices are not paid in accord with this agreement.

This letter sets forth completely the terms of the agreement and there are no other agreements, promises, or understandings not set forth fully herein.

Best Regards,

P. Campbell /SW
