Amendment to Registration Statement
Pursuant to the Foreign Agents Registration Act of 1938, as amended

OMB No. 1105-0004

Privacy Act Statement. Every registration statement, short form registration statement, supplemental statement, exhibit, amendment, dissemination report, copy of political propaganda or other document or information filed with the Attorney General under this act is a public record open to public examination, inspection and copying during the posted business hours of the Registration Unit in Washington, D.C. One copy is automatically provided to the Secretary of State pursuant to Section 6(b) of the Act, and copies of such documents are routinely made available to other agencies, departments and Congress pursuant to Section 6(c) of the Act. Finally, the Attorney Genreral transmits an annual report to the Congress on the Administration of the Act which lists the names of all agents and the nature, sources and content of the political propaganda disseminated or distributed by them. This report is available to the public.

Public Reporting Burden. Public reporting burden for this collection of information is estimated to average 1.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. 5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. If more space is needed, full size insert sheets may be used.

This amendment is filed to correct the following:

1. Amended Attachment C (see attached). This revised document deletes the erroneous references (in response to items 10 and 11) to the Ministry of Tourism of Jamaica and the Government of Jamaica. The representation of the Ministry of Tourism terminated in the six-month period ending Feb. 7, 1993. Holland & Knight services related to the Government of Jamaica are provided to Neill and Co., not to Jamaica, thus Holland & Knight's listing of the Government was in error.

2. Amended Item 12 (see attached). This revised document reports in greater specificity Holland & Knight's contacts on behalf of the Government of the Republic of Trinidad and Tobago during this reporting period. This amends our prior response to Item 12.
