In Re: Government of Jamaica Request for Surplus Jeeps

Dear Mr. Levey:

This Firm represents the Government of Jamaica (Foreign Agent Reg. No. 3718), and we have been authorized by Mr. Pat Stephens, Minister of State, Ministry of Public Utilities and Transport, to make this formal request on behalf of the Government of Jamaica to puchase any surplus jeeps that the Postal Service currently has, or which may be available in the near future.

As you know, Jamaica is a CBI beneficiary and a staunch ally of the United States Government. The Government of Jamaica urgently needs one hundred (100) jeeps to provide access to mountainous regions that are not otherwise accessible. As you are probably aware, Jamaica has many mountainous areas, with poor or no roads. Jamaica's financial situation is such that it cannot afford to buy new units and surplus postal jeeps would provide rough area capability at an affordable cost. If one hundred (100) jeeps are not currently available, the Government of Jamaica would be pleased to purchase any lesser number of jeeps that are now available, with purchase of the remainder when available. The Government of Jamaica, through its counsel, will make all arrangements for shipment of the equipment to Kingston, Jamaica.

Inasmuch as this request was originally directed to the Miami district office and thus has been delayed, we would appreciate your earliest consideration of this matter. We look forward to hearing from you.

Sincerely yours,

HOLLAND & KNIGHT

of Jamaica
