BGR will assist KRG and Kurdistan to develop and provide KRG with strategic advice, counsel and analysis of political climate domestically and abroad regarding Kurdistan. BGR will provide public relations assistance to increase and promote the image of KRG. Additionally, BGR will work to promote foreign investment and economic development in the Kurdistan region of Iraq and develop and execute a strategy to promote awareness and understanding of the Kurdistan's interests among U.S. policy makers, business leaders, media and work to understand and shape U.S. perceptions of KRG interests in Washington and more broadly in the U.S. in addition to other required business.

Foreign Agents Registration Unit (FARA): KRG's advocacy work requires anyone representing its interests to register for the FARA and comply with the laws as per the U.S. Department of Justice's guidelines for filings and reporting. This requires us to register and report our activities on behalf of the KRG.

However, this contract is at-will and could be terminated by either party with a 30-day notice.

This letter outlines our agreement and discussions for this representation. Please sign this letter and return to me and keep a copy for your records. We sincerely appreciate the opportunity to represent Kurdistan and we look forward to a successful relationship.
