Appendix Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

This update pertains to Question 12, Appendix 12 and Question 14 of the registration statement.

For Question 12 and Appendix 12, we are submitting additional information regarding political outreach activities that were not included in our previous filing. Upon discovery of this additional reportable activity, we promptly initiated this supplemental filing to ensure complete transparency and compliance with reporting requirements. The update includes all relevant details of the previously unreported political outreach conducted as part of our regular operations. For this question, the information is in addition to the previously reported information.

For Question 14, we are correcting a recording error regarding the source of payment. Our previous filing incorrectly indicated that payment was made by the organization, when in fact the payment was received directly from the director of the organization, Mr. Sam Alaverdov, as per the preference of Mr. Alaverdov. This correction ensures accurate attribution of financial transactions in our registration statement. For this question, the updated information replaces the previously reported information.

Mr. Yevgeniy Sydorov who was the Qorvis consultant in charge of the account passed away in October 2024, which has contributed to the need for multiple amendments as we uncovered new information.
