10/9/2019	Social Media	N/A	N/A	Karwan Zebari @karwanz · Oct 9, 2019 Breaking: #Turkish incursion into #Rojava (Northeastern Syria) just began few minutes. This will result in a humanitarian catastrophe, civilian casualties, and possibly lead to a protracted war. #TwitterKurds
10/9/2019	Social Media	N/A	N/A	You Retweeted Meghan McCain @MeghanMcCain · Oct 9, 2019 May God be with our allies the Kurdish fighters and Kurdish civilians. What we have done to them is nothing short of Godless. Abandoned our allies to be slaughtered. This is a true stain in American history we will be unable to explain to future generations.
10/9/2019	Social Media	N/A	N/A	Karwan Zebari @karwanz · Oct 9, 2019 2/2... Kurds were told Afrin is outside of our control & that there was no US military presence there. How about now? Is this outside of US military presence & jurisdiction? Such forces were deliberately moved out to pave way for the Turkish incursion/invasion #CENTCOM

10/9/2019	Social Media	N/A	N/A	You Retweeted Hiwa Afandi @HiwaAfandi · Oct 9, 2019 Truth is, US is no longer the power it used to be and Europe is weak, therefore, democratic, moral and ethical values have little weight if any. As you see, everything is counted in money such as blood, friendships and even threats. It literally is the survival of the fittest now
10/9/2019	Social Media	N/A	N/A	You Retweeted Adam Kinzinger @RepKinzinger · Oct 9, 2019 I was among the first Congressmen in Kurdish areas of Iraq after the #peshmerga beat back initial ISIS onslaughts. I saw brave men and women determined to see the fight through... and their determination to fight with our support. I promised them that we would be there... 1/2
10/9/2019	Social Media	N/A	N/A	indsey Graham @LindseyGrahamSC US Senate candidate, SC · Oct 9, 2019 I am pleased to have reached a bipartisan agreement with Senator @ChrisVanHollen on severe sanctions against Turkey for their invasion of Syria. While the Administration refuses to act against Turkey, I expect strong bipartisan support. Show this thread

10/9/2019	Social Media	N/A	N/A	You Retweeted Senator Chris Van Hollen @ChrisVanHollen . Oct 9, 2019 Our bill includes sanctions on: → Turkey's political leadership → Military transactions with Turkey → Turkey's domestic energy sector It will also: → Prohibit U.S. military support for Turkey → Trigger 2017 CAATSA sanctions → Restrict U.S. visas for Turkish leadership
10/9/2019	Social Media	N/A	N/A	You Retweeted Senator Mitt Romney @SenatorRomney . Oct 9, 2019 Reports indicate Turkey is predictably attacking the Kurdish allies we abandoned. It's a tragic loss of life among friends shamefully betrayed. We can only hope the President's decision does not lead to even greater loss of life and a resurgence of ISIS.

10/9/2019	Social Media	N/A	N/A	You Retweeted Senator Bob Menendez @SenatorMenendez · Oct 9, 2019 Today is a dark day. American soldiers worked tirelessly to train and fight alongside the Kurds against ISIS. Now President Trump is leaving our allies to die at the hands of the Turkish military. The President has brought great shame to our country...again.
10/9/2019	Social Media	N/A	N/A	You Retweeted Franklin Graham @Franklin_Graham · Oct 9, 2019 The Kurds are the ones who have been leading the fight against ISIS in Syria. Also pray for the Christians who the Kurds have been protecting. They could be annihilated. Would you pray w/me that Pres. @realDonaldTrump will reconsider? Thousands of lives hang in the balance. 2/2

10/9/2019	Social Media	N/A	N/A	You Retweeted Franklin Graham @Franklin Graham . Oct 9, 2019 TODAY join me in praying as the Turkish army has invaded Syria in the area that the US military withdrew from. The Turks have a dismal record on human rights & they can't be trusted. Pray for the Kurds, Christians, & other minorities in this region.
