Provision of the information requested is mandatory, and failure to provide the information is subject to the penalty and enforcement provisions established in Section 8 of the Act. Every registration statement, short form registration statement, supplemental statement, exhibit, amendment, copy of informational materials or other document or information filed with the Attorney General under this Act is a public record open to public examination, inspection and copying during the posted business hours of the FARA Unit in Washington, DC. Statements are also available online at the FARA Unit's webpage: https://www.fara.gov. One copy of every such document, other than informational materials, is automatically provided to the Secretary of State pursuant to Section 6(b) of the Act, and copies of any and all documents are routinely made available to other agencies, departments and Congress pursuant to Section 6(c) of the Act. The Attorney General also transmits a semi-annual report to Congress on the administration of the Act which lists the names of all agents registered under the Act and the foreign principals they represent. This report is available to the public in print and online at: https://www.fara.gov

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

The additional context of its new engagement with the Department for International Trade ("DIT") of the UK Government (through Linklaters LLP) to provide support to DIT in connection with the negotiation of a Free Trade Agreement with the United States (for which Steptoe registered on May 27, 2020) does not change Steptoe's view that the previous work carried out for DIT in 2018-2019 should not be construed as "political activities" as defined in 22 U.S.C. §611(0). Nevertheless, Steptoe acknowledges that it is uncertain whether the FARA Unit would so conclude and, therefore, in the interest of full disclosure and transparency, is voluntarily effecting this Amendment with respect to its prior work for DIT. Steptoe therefore is amending to "yes" its response to Item #11 on Exhibit B filed May, 27, 2020.
