This message originated from outside your organization

Hi Ruairidh,

Good news - Founders Pledge formally confirmed their support at 20.30.

I've dropped you a text on your number below to confirm that we are good to go for the meeting tomorrow morning. (I won't actually be present myself - my main focus here is the philanthropy liaison rather than the comms itself, although I'm excited to see how that shapes up too, and great to have Brunswick on the team!).

When we spoke, I mentioned that a requirement on Founders Pledge's side is that the purpose of the grant is not political lobbying, but rather strategic communication support for the Breakthrough Agenda report. You confirmed that you would be able to re-issue the proposal letter / statement of works with a sentence to that effect added in the FARA section. If you can get that updated letter to me, I can liaise with the UN Climate Champions operations team, who will set up a contract with yourselves. As discussed they will act as the vehicle for the grant - receiving and disbursing the funds and handling the grant agreement and contract. They are queued up to do this at pace, recognising the urgency. Brunswick will be accountable to BEIS on delivery and that will be reflected in the terms.

Look forward to working with you and the Brunswick team! And thanks again for being so agile in helping to resolve all the issues and queries so swiftly. We made it!

All the best,
Caroline
