PLUS

October 1, 2025

Dear Mr. Solorz:

We appreciate the opportunity to work with you. Outlined in the letter below, we have set forth the terms of our engagement for your convenience.

Engagement

PLUS Communications (PLUS or the "Company") will provide strategic counsel and comprehensive support regarding the ongoing disputes to Zygmunt Solorz (Mr. Solorz or the "Client") involving the TiVi Foundation and Solkomtel Foundation in Liechtenstein, Cyprus, and Poland. Our role will be to help devise and implement an integrated strategy that advances the Client's objectives across legal, policy, and public arenas. The scope and nature of this representation may be enlarged in the future as circumstances develop.

As part of this engagement, PLUS will oversee all facets of the campaign. This includes coordinating with legal teams and other advisors, ensuring that activities across jurisdictions are aligned and mutually reinforcing, and adapting tactics as the dispute progress. Our team will bring to bear deep experience in complex, cross-border matters where reputational, policy, and litigation considerations intersect.

Specifically, PLUS will work to shape the broader narrative surrounding the matter. This will involve developing opportunities to generate earned media coverage in the United States that frames the issues in ways favorable to the Client's position, and to the extent possible, helping shape the opinions of investors and policymakers in the United States. Together, these efforts will position the Client to advance its interests effectively while maintaining the flexibility to expand or recalibrate the strategy as new developments arise.

This Agreement shall be deemed effective as of October 1, 2025 (the "Effective Date"), regardless of the date of execution by the Parties.

Fees & Payment

Client shall pay the Company $150,000 (one hundred and fifty thousand U.S. dollars) per month for a minimum term of three (3) months. Following the initial term, the engagement shall continue on a month-to-month basis, with fees to be determined by mutual agreement. The foregoing fees exclude advertising costs, which shall be determined and agreed upon separately.

Client shall provide the Company with a budget of $300,000 (three hundred thousand U.S. dollars) to be used exclusively for third-party sponsorships and related contributions. The Company shall have discretion to allocate these funds to third-party organizations, as it sees fit.

For ongoing fees, compensation or retainers, Client will be billed on the 1st of every month; provided, however, if any Services begin mid-month, Client will be billed on a prorated basis for the first and last month of such Services.

The first payment is due on receipt of invoice, while all fees thereafter are due and payable within 30 days. If Client does not pay such invoices within the specified timeframe, a late payment charge of one percent (1%) of the outstanding balance, accrued monthly, shall be charged, and the Company may suspend provision of Services until payment is made.

All payments made by Client shall be without deduction or offset. Client will provide the Company with the manner and address for submitting invoices via email. If required, all invoices to Client will contain the purchase order number designated by Client. The Company reserves the right to adjust fees and rates from time to time in accordance with the Company's standard practices.

Client shall be responsible for the payment of any and all applicable federal, state and local sales, use, value added, excise, duty and any other taxes of any nature assessed on the Services and any deliverables.

In the event the Company is engaged to provide media placement services, if Client subsequently cancels a television/radio advertising placement reservation, the Company will employ its reasonable efforts to release the placement and the Client from any further financial obligation. In the event the Company is not successful in obtaining such a release, Client agrees that it will be responsible for any payments due from any third party.

Term of Agreement

This Agreement shall commence as of the Effective Date and shall automatically renew on a month-to-month basis unless terminated by either party. Either party may terminate this Agreement with or without cause upon thirty (30) days' prior written notice to the other party.

Upon termination of this Agreement for any reason, the Company shall be entitled to compensation in an amount equal to the Services completed which have been provided to Client for which the Company has not yet been paid. Any termination of this Agreement by either party shall in no way result in the return of any compensation paid by Client to the Company under the terms of the Agreement.

FARA Compliance

The parties acknowledge and agree that certain services under this Agreement will be conducted within the United States and are directed, in whole or in part, at U.S. policymakers, government officials, and other relevant stakeholders. The parties recognize that such activities may require registration and ongoing compliance under the Foreign Agents Registration Act ("FARA"). Each

party commits to cooperating in good faith to ensure timely registration, reporting, and full compliance with FARA and any other applicable U.S. laws and regulations.

Representations

Each party represents and warrants to the other party that (i) if it is a legal entity, it is duly organized, validly existing and in good standing in the jurisdiction in which it is organized, (ii) the execution and delivery of this Agreement has received all necessary approval, and it is under no impediment or limitation that would render it to be without legal authority to enter into a contract, (iii) the person signing below has full legal signature authority to execute this Agreement, and that such person is duly authorized to bind said legal entity, and (iv) this Agreement constitutes a valid and binding obligation enforceable against it in accordance with the Agreement's terms.

Confidentiality

All matters between the parties, including the provisions of this Agreement, are confidential and shall not be transferred, communicated, or delivered to a third party without the written authorization of the other party to this Agreement. The Company will assume that all information the Company receives from Client or concerning Client in the course of the Company's performance of Services is confidential information ("Information"). Likewise, any information that Client receives from the Company is confidential information. Information includes, but is not limited to written, computerized, oral, and any other transmitted or identified information. The parties acknowledge that the Information is highly proprietary and confidential, and that the disclosure of any such Information, beyond Client and the Company and their employees, agents, or independent contractors, is not authorized.

Client, the Company and their employees, agents, or independent contractors will not, during or after the term of this Agreement, directly or indirectly, use, disseminate, or disclose to any person, firm, or other business entity for any purpose whatsoever, any Information that was disclosed to the Company in relation to the performance of Services. The parties will take all necessary and appropriate action to ensure that each employee, agent, or independent contractor who provides or is involved in the receipt of Services adheres to the confidentiality provisions of this Agreement.

The parties agree that they will not disclose or use any Information, in any form, for any purpose other than to carry out the Services, without the express, written, and prior approval of the other party except where disclosure is required by law or court order. Notwithstanding the foregoing, Information shall not be deemed confidential if such information is (i) already known to the other party free of any restriction at the time it is obtained, (ii) subsequently learned from an independent third party free of any restrictions; or (iii) is available publicly. The terms and conditions of this Section shall survive any termination of this Agreement.

Except for materials where any intellectual property rights are vested in a third party, such as photographic negatives, unused design visuals, color separations, printing plates, artwork, etc., in

Client is responsible for the accuracy, completeness, and propriety of the information that it provides to the Company concerning Client's products, services, organization, and industry. Client is responsible for reviewing all publicity or other materials prepared by the Company under this Agreement and any engagement entered into in connection herewith to confirm that all statements and representations, direct or implied, reflected in the materials prepared by the Company are accurate and supportable by objective data then possessed by Client, and to confirm the accuracy and legal compliance of the descriptions and depictions of the products and services of Client and its competitors.

Client will defend, indemnify, and hold the Company, its affiliates, subsidiaries, and their respective managers, members, directors, officers, and employees (the "Indemnified Parties") harmless from and against all losses, damages, liabilities, claims, demands, lawsuits, costs, and expenses, including reasonable attorney's fees and expenses, that an Indemnified Party may incur or be liable for arising out of or in connection with this engagement, except to the extent such losses, damages, liabilities, claims, demands, lawsuits, costs, or expenses result from the Company's violation of law, gross negligence, or willful misconduct.

Client's obligations under this Section include payment by Client to the Company for all time charges and expenses (including reasonable attorney's fees and expenses) incurred by the Company or any Indemnified Party in connection with any subpoena, discovery demand or other directive having the force of law or governmental inquiry served upon the Company or any Indemnified Party that relates to Client, its business or its industry that arises out of any litigation, proceedings or investigations involving Client.

The Company will notify the Client of the Company's receipt of any notice or claim or demand or service of legal process involving any matter which the Client has agreed to hold the Company harmless; provided, however, the Company shall not be required to disclose any information to Client if such disclosure would, based on the reasonable advice of counsel, result in a waiver of any attorney-client or other legal privilege or contravene any applicable law or binding agreement, including any confidentiality agreement to which the Company or its affiliates or subsidiaries is party. The terms and conditions of this Section shall survive any termination of this Agreement.

Force Majeure

It is agreed that each party will be relieved of its obligations under this Agreement in the event, and to the extent, that performance of either party is delayed or prevented by any cause beyond its reasonable control and not caused by the party claiming relief. In the event anyone or more of the provisions of this Agreement shall for any reason be held to be invalid, illegal, or unenforceable, the remaining provisions of this Agreement shall be unimpaired, and the invalid, illegal or unenforceable provision shall be replaced by a provision which, being valid, legal, and enforceable, comes closest to the intention of the parties underlying the invalid, illegal, or unenforceable provision.
