# Response to Item 5(h)

**Item 5(h): If the registrant is not an individual, furnish the following information: Describe the nature of the registrant's regular business or activity.**

The Nuclear Waste Management Organization ("NWMO") is a not-for profit organization established in 2002 by Canada's nuclear electricity producers in accordance with the Nuclear Fuel Waste Act (NFWA). NWMO is responsible for designing and implementing Canada's plan for the safe, long-term management of used nuclear fuel. The plan, known as Adaptive Phased Management, requires used fuel to be contained and isolated in a deep geological repository. It also calls for a comprehensive process to select a site with informed and willing hosts for the project.
