# Appendix
# Response to Item 9

**Item 9: Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.**

I work with Ugandan entrepreneurs, farmers, and makers to help them access and penetrate the US market with specialty goods which exemplify the best of Uganda. This primarily involves extending market opportunities that my own company has developed to other agro-product producers.

For example, in 2023, my coffee company, Endiro Coffee, is helping other Ugandan coffee companies connect with off-takers in the USA. Additionally, we are working with vanilla and chocolate producers to help them develop their products for the US.

My goal is to help the most vulnerable in the agro-industries of Uganda -- the farmers, their families, and their forests. I emphasize differentiation, sustainability, and wealth creation for everyone in the value chain. I believe in international collaboration for long term success and positive transformation.
