Appendix
Response to Item 10(a)

ODF EU was established by Lyudmyla Kozlovska (who currently serves as President of ODF). Since its founding, ODF's objectives include the protection of human rights, democracy and the rule of law in the post-Soviet area.

ODF pursues its goals through the organisation of observation missions and monitoring individual human rights violation cases. It also advocates for international legislation better serving human rights, such as the Magnitsky Act or the adding of conditionality clauses to EU & international financial assistance programmes directed at non-democratic states and hybrid regimes.

ODF has extensive experience in the field of protection of the rights of political prisoners and refugees.

ODF publishes analytical reports and distributes them among EU institutions, the Organisation for Security and Cooperation in Europe, Council of Europe, United Nations, other human rights organisations, foreign ministries and parliaments, as well as the media.

ODF advocates for the reform of Interpol and - more recently - the Schengen Information System (SIS) and other legal cooperation frameworks, preventing their mechanisms from being used by authoritarian and hybrid regimes to persecute their opponents at home and on a transnational level.

In 2013/14 the Foundation organised a mission to support Ukrainian civil society in their struggle for European integration during the Revolution of Dignity in Kyiv's Maidan square. Following the Russian aggression in 2014, ODF's humanitarian aid programme, started to help the Maidan protest movement, was expanded to help Ukraine's military and war refugees. From 2014 to 2016 a support centre was run by ODF in Warsaw under the name "Ukrainian World", offering everyday life assistance for refugees and migrants and fostering Polish-Ukrainian integration. These efforts have been relaunched and multiplied in the light of the full scale invasion on Ukraine in 2022.

ODF advocates for sanctions against Russia and its allies as well as support for Ukraine.

Independently of its initial statutory objectives, since July 2017 the Foundation and its representatives have been vocal regarding the rule of law situation in Poland, where the current ruling Law and Justice party have repeatedly violated the country's constitution. ODF is primarily concerned with the diminishing independence of the judiciary and separation of powers, which in turn weaken the protection of civil rights.
