Hon. Ekpa Simon Njoku
Prime Minister
Biafra Republic Government In-Exile
7200 Belair Road
Suite #2
Baltimore, Maryland 21206

Dear Mr. Prime Minister:

We are excited to have the opportunity to work with you. This letter of Agreement sets forth the parameters of the business relationship between Moran Global Strategies Inc. (referred to as "MGS"), and Biafra Republic Government In-Exile (referred to as "Biafra").

Scope of Representation

This would be a bilateral contract which if signed and returned to us will establish a contract between MGS and Biafra. We will devote our best efforts to representing the Biafra and in doing so we will adhere strictly to both the legal and ethical obligations of our profession.

Under terms of this letter agreement, MGS agrees to provide Biafra with strategic advice and facilitate interaction with appropriate members of the Executive and Legislative Branches of the U.S. government, as well as third-party interests.

MGS will support Biafra's fundamental goal to encourage the United States government to support Biafran independence and to recognize the Biafra as the only entity which represents Biafra. MGS will promote the narrative to U.S. governmental and non-governmental stakeholders that Biafra, once an established, independent state, with the Biafra's stewardship, will be a close ally of the United States, as well as a bulwark against Islamic terrorism in the Region.

MGS will advise the US Government and private sector stakeholders of the challenges faced by the people of Biafra, and share the arguments as to why Biafra should be recognized as an independent state. MGS will also educate U.S. and non-U.S. stakeholders on issues of concerns pertaining to the Government of Nigeria, including, but not limited to: human rights abuses, religious freedom issues, including persecution of Nigeria's Christians, increasing Islamic fundamentalism within the Nigerian government, the Nigerian government's alignment with U.S. adversaries, and broader security concerns, among other topics. The US Administration should be encouraged to engage the BRGIE directly and through advocacy by the US Congress and other stakeholders, including faith-based and human rights organizations and think tanks.
