Appendix
Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

This amendment is submitted to correct a deficiency in the initial Exhibit B for the foreign principal "National Council of Resistance of Iran through Globeevents Consulting."

Regarding Item 5:
There is no formal written contract between the registrant and the foreign principal. However, the agreement was reached through a series of emails and attached proposal documents. I am uploading the relevant email correspondence and the initial proposal that was accepted and adopted by reference.

Regarding Item 8 (Explanation for Late Filing):
The agreement to provide services began informally in January 2025, but due to a misunderstanding of the reporting deadline requirements under FARA Section 2(a), the registration was not submitted until May 27, 2025. Upon becoming aware of the deadline, I immediately took steps to file the required documentation and pay the registration fee. I apologize for the delay and submit this amendment in good faith to correct the oversight.
